My story and why I need a sponsor.	<p>I have two brothers Francis 6 years and Jordan 4 years. We stay with our parents who do small scale farming. We only wait for a season to be ready then we go to school. And at school I have so many debts because my parents in a term they pay half of the fees. Whenever the Headteacher is sending kids to go home to bring fees I am always in the category of those being sent, my prayer request is to get someone to help me in my studies. Because I would like to become an engineer in future.</p>
