<b>My story and why I need a sponsor.</b>	My parents went to search for jobs and they left us with our aunt. I have two sisters and two brothers. Our Aunt has her biological children. She has no Job and she has to look for the basic needs. I have no one to pay fees for me. My parents send partial payments and sometimes I end the term without completing the fees. I pray to God to give me someone to help me in my studies. Be blessed as you choose to help me.
