My story and why I need a sponsor.	<p>I stay with my mother and my Grandma and grandpa. My father abandoned us. We all stay at our grandparents (Maternal) side. My mother has land but thank God our grandparents love us so much. Both my mom and our grandparents are poor they all depend on small scale farming. The house where we are sleeping is almost falling because my parents have no money to build another one. But when I grow up a successful woman I will work hard to improve on the standards of living. May God give me someone to help me in my Education because my mother cannot afford my school fees. God bless you.</p>
