My story and why I need a sponsor.	<p>I stay with my mother and my grandma. My father divorced my mother and he left us when we were many siblings. We are eight. Now all the burden on my mother to provide all the basic needs and she cannot afford. We are on our grandmas' land and my mother sells onions in the market but sometime he fails to get capital to purchase them for sale. And sometimes we sleep hungry but our grandma tries with her level best to see that we get something to eat. She has some people who help her. We only depend on God's mercy to earn a living. In terms of Education, my mother cannot manage to pay fees for me because she has failed to even pay for my elder brothers and sisters. Kindly help me if you can because things are not good on my side. God bless you.</p>
