Where do I live	Rural village of Kicuna
My story and why I need a sponsor.	I live in Kicuna village with my mother and many siblings. Our father left all the responsibilities to our mother who gets her support from the agricultural produce from the garden. What she gets cannot sustain all of us because we are many and with different needs. The entire burden is on our mother and in most cases she fails to pay fees for me. I pray for blessings to whoever God uses to help me with education and a chance for a better life.
