Our Mission: 'Serving Christ by aiding impoverished children and elderly women in Uganda, Africa'

Our Vision: We aid impoverished children and elderly women by:

- Sharing the Gospel of Jesus Christ
- Providing educational opportunities to the children, in particular through ChristAid Academy
- Providing basic needs and support to the women and the children under their care.

ChristAid Programs Overview:

- *Ahadi Kids Child Sponsorship Program:* Impoverished school age children receive a proper education, guidance from our dedicated staff and love and care from their sponsors, giving them hope for a brighter future.
- *Grandmas for Jesus Sponsorship Program:* Widows aged 50+ receive monthly support to help provide them with food, medical care and other basic needs. The love and prayers they receive from their sponsors are priceless.

ChristAid Projects Overview:

- *ChristAid Primary School:* A Christian school located in the rural village of Kicuna, Uganda, dedicated to excellence in education and community service. ***Raising up the future leaders of Uganda!***
- *'Pay it Forward' Shipping Ministry:* This project feeds the bodies, minds and souls of the people in many communities throughout Uganda by providing life saving medical equipment, Bibles and other educational books and supplies to various needy hospitals, clinics, schools and libraries.
