My story and why I need a sponsor.	I do not have children and I stay with my niece who has given me a place to sleep and is looking after me.
How am I cared for today?	I weave mats to get a little money to buy my needs, however sometimes I don't see well because of old age.
Details of my health.	Am very old and I have a problem of joint pain, backache and failure of eye sight. My back is bending and now i can't manage to stand upright because of the back and the joints.
