My story and why I need a sponsor.	I am very poor woman and I stay alone. I do not have anyone to look after me; I depend on God's mercy for my survival. I stay in a home of a well wisher at my church.	
How am I cared for today?	I make chapats and bread out of Irish potato in order to get income to buy my needs because I do not have anyone to look after me.	
Details of my health.	I have a lame leg since 5 years I don't walk very well. I also suffer from high blood pressure; eye sight is poor and joint pain.
