My story and why I need a sponsor.	Am a lonely person who does not have a home or family relatives to help me. I stay in the church and help to do church work. My Daughter died and left me with 3 grandchildren who stay at their father's home. I do not have help or work to earn for my survival, am living in God's protection.
How am I cared for today?	I dig in other people's garden when am not weak or sick in order to get food to eat and money to buy my regular needs. I also get support from my churches members who sometimes give me food and they gave me shelter in the church. Even well-wishers help me while in need.
Details of my health.	I have a problem of general body weakness and feeling lonely sometimes but still living because of God's Love.
